

New generation mini+ tools provide high power in a small lightweight tool.

- IPS ensures correct crimping cycle or indicates poor crimp with audio/visual signal
- Data analysis via optical interface & USB adapter
- Ergonomic design for optimised centre of gravity for perfectly balanced tool
- LED illuminates work area
- More powerful motors and automatic stop system for increased speed, performance and battery life

## Klauke EK425L

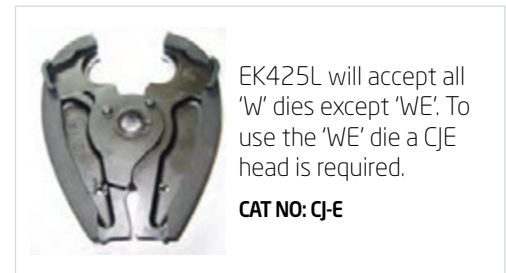

Open Head 'W' Die Tool

CAT NO	EK425L
<b>CRIMPING FORCE</b>	50kN
<b>STROKE/OPENING WIDTH</b>	40mm
<b>CRIMP RANGE</b>	Full range of 'W' dies
<b>NUMBER OF CRIMPS</b>	Approx 140 dependent on conductor dia
<b>WEIGHT INC. BATTERY</b>	2.6kg
<b>SUPPLIED WITH</b>	2 x 3Ah batteries & 12V car charger

- Crimping head rotates for ease of positioning
- Quick motor stop guarantees safe operation
- Automatic retraction stop (ARS) after each crimp. Stops at the correct position for increased productivity (excludes EK425L)
- Manual retraction where required
- Multifunctional LED indicates when battery is low and when tool requires servicing
- High performance 18V Li-Ion batteries offer 50% higher capacity and extremely short charging times (22 minutes)

All featured tools are supplied with carry case, 3.0Ah Li-Ion batteries and 12V car charger.

EK425L will accept all 'W' dies except 'WE'. To use the 'WE' die a CJE head is required.

**CAT NO: CJE**

## Klauke EK50/5L

Narrow Profile Head accepts all Klauke Series 5 Crimping Dies

CAT NO	EK50/5L
<b>CRIMPING FORCE</b>	50kN
<b>STROKE/OPENING WIDTH</b>	12mm
<b>CRIMP RANGE</b>	6mm <sup>2</sup> - 240mm <sup>2</sup>
<b>NUMBER OF CRIMPS</b>	Approx 300 dependent on conductor dia
<b>WEIGHT INC. BATTERY</b>	2.4kg
<b>SUPPLIED WITH</b>	1 x 3 Ah Battery & 12V Car Charger

## Klauke EK50/18L

Accepts all Klauke Series 18 Crimping Dies

CAT NO	EK50/18L
<b>CRIMPING FORCE</b>	50kN
<b>STROKE/OPENING WIDTH</b>	17mm
<b>CRIMP RANGE</b>	6mm <sup>2</sup> - 185mm <sup>2</sup>
<b>NUMBER OF CRIMPS</b>	Approx 160 dependent on conductor dia
<b>WEIGHT INC. BATTERY</b>	2.8kg
<b>SUPPLIED WITH</b>	1 x 3 Ah Battery & 12V Car Charger
