

Mini+ battery cutting tools feature the innovative ESG25L - the smallest tool available for cutting stay wire up to 25mm diameter. The open head ES20L and ES32L are ideal for cutting ACSR and Cu/Al cable respectively.

- One-handed operation
- Cutting head rotates for ease of positioning
- Data analysis via optical interface & USB adapter
- Ergonomic design for optimised centre of gravity for perfectly balanced tool
- LED illuminates work area
- More powerful motors and automatic stop system for increased speed, performance and battery lifetime

## Klauke ESG25L

Stay Wire Cutter

CAT NO	ESG25L
<b>CUTTING FORCE</b>	50kN
<b>CUTTING RANGE</b>	25mm dia
<b>CABLE TYPES</b>	Stay Wire / ACSR
<b>HEAD TYPE</b>	Closed latch type
<b>WEIGHT INC. BATTERY</b>	2.1kg

- Quick motor stop guarantees safe operation
- Manual retraction stop (MRS) allows operator to move quickly on to next cut. Stops at the correct position for increased productivity
- Manual retraction where required
- Multifunctional LED indicates when battery is low and when tool requires servicing
- High performance 18V Li-Ion batteries offer 50% higher capacity and extremely short charging times (22 minutes)

All featured tools are supplied with carry case, 1 x 18V 3.0Ah Li-Ion battery and 12V car charger.

## Klauke ES32L

For Cu & Al up to 32mm dia

CAT NO	ES32L
<b>CUTTING FORCE</b>	15kN
<b>CUTTING RANGE</b>	32mm dia
<b>CABLE TYPES</b>	Cu & Al cable
<b>HEAD TYPE</b>	Open scissor
<b>WEIGHT INC. BATTERY</b>	2.0kg

## Klauke EBS12L

Cuts Container Seals & Bolts

CAT NO	EBS12
<b>CUTTING FORCE</b>	45kN
<b>CUTTING RANGE</b>	12mm dia
<b>CABLE TYPES</b>	Bolts, steel wire & seals
<b>HEAD TYPE</b>	Open shear
<b>WEIGHT INC. BATTERY</b>	1.9kg

## Klauke ES20L

Cuts ACSR

CAT NO	ES20L
<b>CUTTING FORCE</b>	15kN
<b>CUTTING RANGE</b>	20mm dia
<b>CABLE TYPES</b>	ACSR, Cu & Al cable
<b>HEAD TYPE</b>	Open scissor
<b>WEIGHT INC. BATTERY</b>	2.0kg
