

Curved Claw Hammer

Curved claw hammer with an octagonal neck, brightly polished head and fibreglass handle for maximum shock absorption. Comfortable black hand grip and bright orange shaft. Weight 450g (1 lb) or 570g (1lb 14oz).

Ball Pein Hammer

Precision ground with hardened striking faces to withstand the rigours of all metal working applications. Fitted with a fibreglass handle which is lightweight, extremely strong and resistant to moisture. Manufactured in accordance to BS876. Weight 227g (8oz) or 450g.

Linesman's Pliers

Made from high grade chrome nickel steel with specially hardened jaws for improved grip and durable cutting edge. Comfortable high density cushion grips. Spring assisted jaw release. Overall length 240mm.

Closed Case Fibreglass Tape 30m / 100ft

This closed case fibreglass long tape has 2-colour graduations - easy to read in all conditions. 26-strand 12.7mm wide tape ensures minimal stretching. High impact ABS case - for strength. The handle folds for storage and the case is ventilated to enable easy cleaning. Class III accuracy. Size: 30m (100ft).

XFB1ME White Nylon Rule

High quality white nylon four-fold rule with bevelled edges for precise marking. Graduated in inches and 1/8" on front side, cm and mm on the reverse. Length 1m (39").

Metal Drill Sets

Particularly suited to drilling sheet or thin materials where accurate burr free holes are required and very effective when working with wood and plastic materials. The patented split pilot point design eliminates walking/slipping on contact.

The DeWalt DEWDT5921QZ metal drill bit set is supplied in a plastic cassette and contains 10 drill bits: 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10mm.
