

## Plastic Storage Boxes

Featuring a modern design, the range is extremely adaptable for specific product requirements. Available in many colour combinations and various options of interior design, including plain foam and die-cut foam inserts. Case shells can be custom-printed or embossed with brand name/logo and an optional transparent lid provides perfect product visibility. The range also includes an extra large version which is extremely strong with double-blown walls.

## Aluminium Boxes

Strong, robust and impact proof, these boxes are perfect for heavy-duty requirements. Their construction makes these boxes ideal for transport of valuable loads, sensitive equipment and fragile components. The boxes are made of high quality aluminium with strong base and lid sections. The boxes are easy to use because of their low weight and comfortable handles. Very practical design with aluminium corner pieces, they are stackable and the dimensions have been optimised for pallet transport.

## Golf Bag

Unique to Horizon, this rod storage bag is fitted with legs to keep the bag upright. This helps to keep rods clean and makes assembly and disassembly of the rods much easier. Complete with storage pockets for pruning saw and pole heads.
