

## LED Lenser

The LED Lenser X21 torch is one of the brightest handheld LED lights. Featuring a high-powered 1068 lumen output, the focusable light on this torch is ideal where the brightest light is required. Due to the Advanced Focus System the light cone can be adjusted dynamically.

CAT NO	SOURCE	LIGHT OUTPUT	RUN TIME	LENGTH	BATTERY TYPE	WEIGHT
1004105	1.25 watt LED	1068 lumens	<950 hrs	400mm	4 x D Alkaline	1.44kg

## FoxFire Emergency Light

Ideal for vehicles parked on or near roads, the 26 super bright LEDs coupled with lens magnifiers bring high powered emergency lighting. Battery powered with magnetic strip for attaching to vehicles or other metal surface. Dual function - flashing and steady signal beam. Suction mount available which allows light to stand up.

CAT NO	DESCRIPTION
F26A	FoxFire Amber LED Emergency Light
F26-SM	Suction Mount for FoxFire

## Linesman's Utility Light

CAT NO: ULE-3

Designed to be hung on aerial lift bucket trucks. Ideal for rubber gloving teams, the housing is made from waterproof, non-conductive thermoplastic. Dual Beam for 5 hour flood or 1 hour spot. The head can be tilted up and down and swivelled through 360° and features a 200,000 candle power halogen light. Full recharge in 8 hours. Comes complete with 220V AC adapter, 12V cigarette charger and 12V wire harness. Optional extra available: bulb shatter guard.

## Magnetic Mount Light

CAT NO: UL-5

Dual beam flood and spot gives 100,000 candle power. Rugged housing, strong 90lb magnet. Supplied with 10 feet of cable and bulb shatter guard.

## SHO-ME LED Spot/Flood Torch

CAT NO: RTLED5W

Dual function LED rechargeable light which allows you switch from intense spotlight to wide-angle floodlight with the flip of a switch. 100,000 hour bulb life ensures long-lasting light and reliable performance. Five year warranty on LEDs. Maintenance-free LED array creates a clear bright white light. Multi-position adjustable base has positive-locking ratchets that hold the light beam in place. Non-conductive yellow housing. Light comes complete with one rechargeable battery and vehicle charger.
