

Klauke's new range of insulated hydraulic cutting tools are ideal for larger conductors and fine stranded conductors. Fully insulated to the electrical requirements of IEC 60900. Takes standard 18V Makita and Bosch batteries.

Klauke®

Klauke ESM25ISM

Insulated battery powered hydraulic cutting tool 25mm dia.

CAT NO	ESM25ISM
CUTTING FORCE	47kN
CUTTING RANGE	25mm dia
CABLE TYPES	ACSR, Cu, Al
HEAD TYPE	Open scissor
WEIGHT INC. BATTERY	3.3kg

- For cutting ACSR, Cu & Al
- Easy to replace cutting blade for interruption free working

Klauke ESM50ISM

Insulated battery powered hydraulic cutting tool 50mm dia.

CAT NO	ESM50ISM
CUTTING FORCE	38kN
CUTTING RANGE	50mm dia
CABLE TYPES	Cu, Al & lightly armoured
HEAD TYPE	Open scissor
WEIGHT INC. BATTERY	3.3kg

- High cutting force for cutting copper and aluminium cables (fine stranded also)
- Saves time with multiple cuts thanks to innovative opening mechanism

Klauke ESM35ISM

Insulated battery powered hydraulic cutting tool 35mm dia.

CAT NO	ESM35ISM
CUTTING FORCE	29kN
CUTTING RANGE	35mm dia
CABLE TYPES	Cu & Al
HEAD TYPE	Open scissor
WEIGHT INC. BATTERY	3.1kg

- High cutting force for cutting copper and aluminium cables (fine stranded also)
